

PEST ANIMAL CONTROL IN PROGRESS

PROGRAM DATES

14 September 2026 - 12 October 2026

Bait stations and traps are checked and re-baited regularly for the duration of the program.

KEEP DOGS ON LEAD

1080 is lethal to dogs in very small amounts. Keep your dog leashed at all times in and around the park, and do not let it roam off-trail or into neighbouring bushland.

IF YOU SUSPECT POISONING

Victorian Poisons Information Centre
