STAGE 2A TRAILS

Trail 49

Distance: 7.0km

Difficulty: Black

Style: Adventure

Description: Head deep into the backcountry on this epic adventure. Out Yonder traverses the slopes of Mt Bride and Groom Hill before dropping into the longest descent in the Warburton Bike Park network, combining flow, natural terrain and technical riding along the way. Suitable for experienced mountain bikers only.

Trail 54

Distance: 1.2km

Difficulty: Double Black

Style: Gravity

Description: Trail 54 follows the lower section of Cemetery Track through some of the steepest terrain in the network. Planned as the park's first Double Black Diamond trail, it is designed for highly experienced riders seeking the ultimate challenge on the mountain.

Trail 55

Distance: 1.9km

Difficulty: Black

Style: Gravity

Description: Winding around the edge of Mineshaft Hill, this trail starts with a gentle gradient before ramping up into a steep, challenging finish. Featuring playful jumps, technical obstacles and a direct route back to Wesburn
Suitable for experienced mountain bikers only.

Trail 57/58

Distance: 1.0km

Difficulty: Black

Style: Adventure

Description: Take this steep technical shortcut to Earn Ya Ferns. Featuring a steep gradient, tight switchbacks and obstacles, this trail offers a direct route up to Mt Tugwell Summit Junction for rider's looking for a challenge. A single trail with steep gradients, variable surface and obstacles.

Trail 60

Distance: 1.0km

Difficulty: Black

Style: Adventure - climb

Description: Conquer the steep technical shortcut climb linking Old Warburton Junction to Edwardstown Junction. Featuring a steep gradient, rock gardens and obstacles, this trail offers a direct route up to Edwardstown Junction for rider's looking for a challenge.

Trail 61

Distance: 2.3km

Difficulty: Green

Style: Airflow - Descent

Description: A gentle Green Airflow trail descending the eastern side of Mount Little Joe, with glimpses of the Yarra River along the way. Starting from Mt Little Joe East Junction, it flows down to the Warburton Rail Trail, providing an easy return to Warburton or a link back into the network via Uptown Flow.
